Experience comfort and functionality on board with a thoughtfully designed deck setup.

This boat features a durable fiberglass hard top, a well-equipped dashboard with windscreen, and convenient stand-up access.

Enjoy safe movement with stainless steel handrails and multiple storage options including lockers at the bow and stern.

Relax on the L-shaped stern sofa or the spacious bow sunbed, and dine around the elegant folding teak table.

Additional highlights include twin stern platforms, a stainless steel swim ladder, safety equipment locker, inspection hatches, and premium stainless steel fittings throughout.
